Circular

To: Authorised Service Providers

From: Head, Citizenship by Investment Unit

Date: 16 December 2013

Subject: Birth Certificate

Kindly note that a certified copy of a Birth Certificate is a required document that must be submitted with the application for Citizenship. The Citizenship by Investment Unit is aware that there may be instances where Birth Certificates or equivalent documents are not issued or obtainable, due to circumstances specific to that country.

In the absence of a birth certificate, an affidavit stating reasons for failure to obtain the said document must be provided along with a government issued official document in support of the affidavit or declaration.

The Citizenship by Investment would take the above into consideration on a case by case basis when reviewing the application.

Thanks for your continued cooperation.
